

The Examiner is thanked for the careful examination of this application.

Claim 9 has been amended to change the word "the" to "a" in order to overcome the Examiner's objection to lack of antecedent therein.

Claim 18 has been amended to correct the typographical error in the word "internet". As suggested by the Examiner, it has been changed to "internal".

A Terminal Disclaimer accompanies this amendment in an effort to overcome the Examiner's double patenting rejection.

With these amendments, the Applicants believe that this application is now in condition for allowance, and early notification of same would be appreciated.

Respectfully submitted,

By:
